

BENEFITS OF COLLABORATION

5 BENEFITS OF COLLABORATION (A PODCAST)

BY: [Michael Hyatt](#) and [Michele Cushatt](#)

Welcome to the new season of *This Is Your Life*. In this first episode, [Michele Cushatt](#), my new co-host, and I talk about why I decided to change my podcast so dramatically and what you can learn about leadership from our experience.

Many people talk about the value of collaboration, but in this episode, we get very specific about why you must collaborate with others if you are going to reach your potential as a leader. We also discuss how it benefits those you hope to influence.

You can download a complete, word-for-word

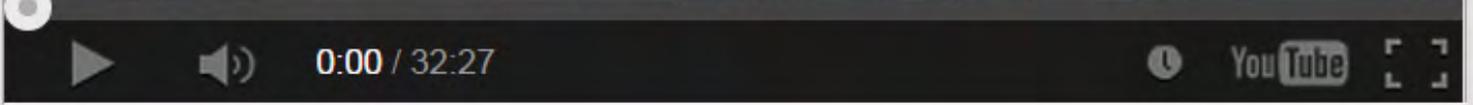

transcript of this episode [here](#), courtesy of [Ginger Schell](#), a professional transcriptionist, who does all my transcriptions.

Join the Conversation

My favorite part of doing these podcasts is participating in the conversation they provoke. Each week, I ask one question. This week, it is this:

Question: Where could you be more collaborative in your leadership and what would it make possible? You can leave a comment by [clicking here](#).
